

ROOM REPRESENTATIVE INTEREST FORM

What does a Room Rep Representative Do?

The Room Representative focuses on support for the teacher. The needs of each classroom will be different, and the style of each teacher will vary. Some teachers need minimal assistance, and others may want a more involved role from the Room Representative. We want our teachers to know that we appreciate all they do for our kids, and we're here to support them.

Please provide your contact information and a Volunteer Coordinator will contact you soon. Questions? vc@montclairpto.org. Thank you!
